BE IT ENACTED BY THE COUNTY COUNCIL OF YORK COUNTY, SOUTH CAROLINA, IN PUBLIC MEETING DULY ASSEMBLED:

Section 1.     Recitals and legislative findings.     As an incident to the adoption of this ordinance, the County Council of York County, South Carolina, has made the following findings:

(a) The South Carolina General Assembly has enacted the Capital Project Sales Tax Act, S. C. Code Ann. § 4-10-300, et seq., pursuant to which the county governing body may impose a one

percent sales and use tax by ordinance, subject to a referendum, within the county area for a specific purpose or purposes and for a limited amount of time to collect a limited amount of money.

(b) On August 18, 1997, the York County Council adopted an ordinance pursuant to the South Carolina Capital Project Sales Tax Act, S.C. Code Ann. § 4-10-300 et seq., imposing a one percent sales and use tax, subject to a referendum within York County, for the purpose of designing, engineering, constructing or improving highways, roads, streets and/or bridges in York County, South Carolina, for a period of not to exceed seven (7) years from the date of imposition of such tax, to fund capital projects more particularly described in such ordinance, at a maximum cost not to exceed \$99,255,000.00. On November 4, 1997, in a Referendum conducted in York County, a one percent capital project sales tax was approved by a favorable vote of a majority of the qualified electors voting in such Referendum on the imposition of such tax. The one percent capital project sales tax imposed in York County pursuant to the ordinance adopted by the York County Council on August 18, 1997, and the Referendum conducted on November 4, 1997, expired. On August 12, 2003, the York County Council adopted an ordinance pursuant to the South Carolina Capital Project Sales Tax Act, S.C. Code Ann. § 4-10-300, et. seq., as amended, imposing or

reimposing a one percent (1%) sales and use tax, subject to a referendum within York County, for the purpose of designing, purchasing necessary right-of-way, engineering, constructing, inspecting or improving highways, roads, streets and/or bridges in York County, South Carolina, for a period not to exceed seven (7) years from the date of imposition or reimposition of such tax, to fund capital projects more particularly described in such ordinance at a maximum cost not to exceed \$173,000,000.00. On November 4, 2003, in a referendum conducted in York County, a one percent (1%) capital sales tax was approved by favorable vote of a majority of the qualified electors voting in such referendum on the imposition of such tax. The one percent (1%) Capital Project Sales Tax Act imposed in York County pursuant to the ordinance adopted by the York County Council on August 12, 2003, and the referendum conducted in York County on November 4, 2003, is in force, and the existing one percent sales and use tax imposed in York County under the Capital Project Sales Tax Act has not been terminated, as the maximum time period specified for the imposition of such tax has not expired, and the Department of Revenue has not determined that the tax has raised revenue sufficient to provide net proceeds equal to or greater than the amount specified in the referendum question. The York County Council, as the governing body of York County,

South Carolina, is authorized to impose a new or reimpose an existing sales and use tax pursuant to provisions of the Capital Project Sales Tax Act, as amended, S.C. Code Ann. § 4-10-330, as amended, immediately following the termination of the earlier tax by the appointment of a commission and the enactment of a new ordinance as provided by the Capital Project Sales Tax Act, as amended, S.C. Code Ann. § 4-10-300, et seq.

(c) The York County Council, as the governing body of York County, South Carolina, is authorized to create a commission subject to the provisions of S. C. Code Ann. § 4-10-320 of the Capital Project Sales Tax Act, as amended, for the purpose of considering proposals for funding capital projects within the county area and the formulation of a referendum question which is to appear on the ballot. The York County Council adopted an ordinance pursuant to the Capital Project Sales Tax Act, creating a commission for the purpose of considering proposals for funding capital projects within York County and the formulation of a referendum question which is to appear on the ballot. Members of the Capital Project Sales Tax Act Commission were appointed by York County, the municipalities of York County and commission appointees of the municipalities in the county in accordance with the

provisions of § 4-10-320 of the Capital Project Sales Tax Act, as amended.

(d) The York County Capital Project Sales Tax Act Commission has considered proposals for funding capital projects within York County and the Commission, by vote of the Commission in public meetings duly advertised, has adopted the projects described in this ordinance, estimated the costs of such projects, identified the purposes for which the proceeds of the proposed capital projects sales and use tax shall be used, established the maximum time for which the sales and use tax may be imposed at seven (7) years, or as provided by law, established the maximum cost of the projects or facilities to be funded from the proceeds of the tax and the maximum amount of net proceeds to be raised by the tax, or the minimum provided by law established conditions precedent to the imposition of the sales and use tax and conditions and restrictions on the use of sales and use tax revenue collected pursuant to the Capital Project Sales Tax Act, established the rank and priority in which the net proceeds of the sales and use tax are to be expended for the purposes stated, recommended that county council provide a formula or system by which multiple projects may be funded simultaneously and formulated the ballot question that is

to appear on the ballot pursuant to § 4-20-330(d) of the Capital Project Sales Tax Act, as amended.

(e) The York County Council finds that a one percent sales and use tax should be levied and imposed or reimposed within York County, for the purpose of designing, engineering, constructing or improving highways, roads, streets and/or bridges in York County, South Carolina, more specifically identified in Section 3.5 of this ordinance (herein referred to as the "projects" or the "capital projects") for a period not to exceed seven (7) years from the date of imposition of such tax, or for a period as provided by law, to fund capital projects as herein defined and described at \$161,000,000.00, or a maximum amount as provided by law, to be funded from the net proceeds of a sales and use tax imposed or reimposed in York County pursuant to provisions of the Capital Project Sales Tax Act, S. C. Code Ann. § 4-10-300 et seq., as amended, subject to approval of a majority of the qualified electors of York County voting in a referendum on the imposition or reimposition of a capital projects sales and use tax in York County to be held at a time the county governing body and the South Carolina Department of Revenue determine necessary to permit the tax to be reinstated and continue without interruption. The

imposition or reimposition of such sales and use tax, and the use of sales and use tax revenue, if approved in such referendum, shall be subject to the conditions precedent and other conditions and restrictions on the use and expenditure of sales and use tax revenue established under the Capital Project Sales Tax Act and the provisions of this ordinance. Sales and use tax revenues shall be used for the design, purchase of necessary right-of-way, engineering, construction, inspection, or improvement of the projects established in this ordinance for the purposes stated in the priority in which capital projects are listed below, or as provided in a formula or system by which multiple projects may be funded simultaneously. The expenditure of revenues from the capital projects sales and use tax, if approved, shall be subject to acquisition of necessary right-of-way, design and engineering considerations, environmental issues, the discovery of historic sites, the receipt of necessary permits, funding of projects from other sources, cost overruns, qualifications of bidders, the receipt of bids in excess of project estimates, exhaustion or insufficiency of net sales and use tax revenues to complete all projects, or other unforeseen circumstances and conditions.

(f) County Council finds that the imposition or reimposition of a capital projects sales and use tax in York County for the

projects and purposes defined in this ordinance for a limited time not to exceed seven (7) years, or such period as is provided by law, to collect a limited amount of money will serve a public purpose; provide funding for the design, purchase of necessary right-of-way, engineering, construction, inspection, and improvement of highways, roads, streets and/or bridges; improve the flow of traffic into and through York County; facilitate economic development; promote public safety; provide a safe roadway system for travel in York County; address increased traffic volumes which accompany rapid population growth; provide necessary infrastructure; lessen congestion in the streets, roads and highways; promote air quality; facilitate the provision of adequate transportation; promote desirable living conditions; promote public health and safety in the event of fire, emergency, panic and other dangers; and meet present and future needs of York County and its citizens.

Section 2. Adoption of Commission report. The report of the York County Capital Project Sales Tax Commission is hereby approved and adopted.

Section 3. Adoption of Capital Project Sales and Use Tax subject to referendum.

3.1 A capital project sales and use tax, as authorized by the Capital Project Sales Tax Act, S. C. Code Ann. § 4-20-300 et. seq., as amended, is hereby imposed or reimposed in York County, South Carolina, subject to a favorable vote of a majority of the qualified electors voting in a special referendum on the imposition of such tax to be held in York County, South Carolina, at a time the county governing body and the South Carolina Department of Revenue determine necessary to permit the existing tax to be reinstated and continue without interruption.

TOTAL ESTIMATED COST OF ALL CAPITAL PROJECTS: \$161,000,000.00

3.5(b) Notwithstanding any provision or priority of 3.5(a) to the contrary, the county governing body may fund multiple projects simultaneously on a pro rata basis, based on the percentage of completion of each such project if (i) the county treasurer, after consultation with the South Carolina Department of Revenue, certifies that the projected net proceeds of the one percent sales and use tax imposed or reimposed are reasonably sufficient to fund and complete all such multiple projects commenced simultaneously; and (ii) the county's construction manager for projects funded by the Capital Project Sales Tax certifies that the projects commenced simultaneously may be completed based on a reasonable projection of net revenues of the one percent sales and use tax remaining to be applied to such projects.

3.6 If a sales and use tax is approved by a majority of the qualified electors voting in a referendum to be held in York County as provided herein, such tax is to be imposed or reimposed at a time determined by the York County governing body and the South Carolina Department of Revenue to permit the existing one percent sales and use tax to be reinstated and continue without

interruption provided the Registration and Election Commission of York County shall certify the results and the York County governing body shall, by resolution, declare the results of the referendum and certify such results to the South Carolina Department of Revenue timely.

3.7 The capital projects sales and use tax imposed by this ordinance, if approved in the referendum conducted as provided herein, shall terminate on the earlier of:

- (1) the final day of the seventh year following imposition of the tax; or
- (2) such time as is provided by law.

3.8 Amounts of sales and use tax collected in excess of the required net proceeds must first be applied, if necessary, to complete a project for which the tax was imposed; otherwise, the excess funds must be credited and applied as provided in S.C. Code Ann. § 4-10-340, as amended.

3.9 The capital projects sales and use tax levied pursuant to this ordinance must be administered and collected by the South Carolina Department of Revenue in the same manner that other sales and use taxes are collected. The Department may prescribe amounts that may be added to the sales price because of the tax.

3.10 The tax authorized by this ordinance is in addition to all other local sales and use taxes and applies to the gross proceeds of sales in the applicable area that is subject to the tax imposed by Chapter 36 of Title 12 of the Code of Laws of South Carolina, and the enforcement provisions of Chapter 54 of Title 12 of the Code of Laws of South Carolina. The gross proceeds of the sale of items subject to a maximum tax in Chapter 36 of Title 12 of the Code of Laws of South Carolina are exempt from the tax imposed by this ordinance. The tax imposed by this ordinance also applies to tangible personal property subject to the use tax in Article 13, Chapter 36 of Title 12 of the Code of Laws of South Carolina.

3.11 Taxpayers required to remit taxes under Article 13, Chapter 36 of Title 12 of the Code of Laws of South Carolina must identify the county, municipality or both in which the personal property purchased at retail is stored, used or consumed in this State.

3.12 Utilities are required to report sales in the county, municipality or both, in which the consumption of the tangible personal property occurs.

3.13 A taxpayer subject to the tax imposed by § 12-36-920, S. C. Code Ann., who owns or manages rental units in more than one county, municipality or combination thereof, must report

separately in his sales tax return the total gross proceeds from business done in each county or municipality.

3.14 The gross proceeds of sales of tangible personal property delivered after the imposition date of the tax levied under this article in a county, either under the terms of a construction contract executed before the imposition date, or a written bid submitted before the imposition date, culminating in a construction contract entered into before or after the imposition date, are exempt from the sales and use tax provided in this article if a verified copy of the contract is filed with the Department of Revenue within six months after the imposition date of the sales and use tax provided for in this ordinance.

3.15 Notwithstanding the imposition date of the sales and use tax authorized pursuant to this ordinance, with respect to services that are billed regularly on a monthly basis, the sales and use tax authorized pursuant to this article is imposed beginning on the first day of the billing period beginning on or after the imposition date.

Section 4. Remission of Capital Project Sales and Use Tax; Segregation of funds; Administration of funds; Distribution to counties; Confidentiality.

4.1 The revenues of the tax collected under this ordinance must be remitted to the South Carolina Department of Revenue and placed on deposit with the State Treasurer and credited to a fund separate and distinct from the general fund of the State.

After deducting the amount of any refunds made and costs to the Department of Revenue of administering the tax, not to exceed one percent of such revenues, the State Treasurer shall distribute the revenues quarterly to the county treasurer in the county area in which the tax is imposed and the revenues must be used only for the purposes stated in the imposition ordinance. The State Treasurer may correct misallocations by adjusting subsequent distributions, but these distributions must be made in the same fiscal year as the misallocation.

4.2 The Department of Revenue shall furnish data to the State Treasurer and to the York County Treasurer for the purpose of calculating distributions and estimating revenues. The information which must be supplied to counties and municipalities upon request includes, but is not limited to, gross receipts, net taxable sales, and tax liability by taxpayers. Information about a specific taxpayer is considered confidential and is governed by the provisions of S. C. Code Ann. § 12-54-240. Any person violating

the provisions of this section shall be subject to the penalties provided in S. C. Code Ann. § 12-54-240.

5.1            The Registration and Election Commission of York County shall conduct a referendum on the question of imposing a capital projects sales and use tax in the area of York County at a date and time to be determined by the county governing body and the South Carolina Department of Revenue necessary to permit the existing one percent sales and use tax to be reinstated and continue without interruption, between the hours of 7 a.m. and 7 p.m. under the election laws of the State of South Carolina, mutatis mutandis. The York County Registration and Election Commission shall publish in a newspaper of general circulation the question that is to appear on the ballot, with the list of capital projects and the cost of projects, and shall publish such election and other notices as are required by law.

INSTRUCTIONS TO VOTERS.

All qualified electors desiring to vote in favor of imposing or reimposing the tax for the stated purposes shall vote "YES" and all qualified electors opposed to levying or reimposing the tax shall vote "NO".

The purpose of the Referendum is to reimpose an existing capital project sales and use tax for the capital projects listed above in order to permit the tax to be reinstated and continue without interruption.

CONDITIONS AND RESTRICTIONS ON THE USE OF SALES AND USE TAX REVENUE COLLECTED UNDER THE CAPITAL PROJECT SALES TAX ACT:

The capital projects sales and use tax shall be used and expended for design, engineering, construction or improvement of the highways, roads, streets and/or bridges listed above. Net proceeds of the capital project sales and use tax, if approved, must be expended for the purposes stated in the priority listed above; provided that multiple projects may be funded simultaneously based on the formula or system contained in the ordinance adopted by the York County Council. The expenditure of revenues from the capital projects sales and use tax, if approved, shall be subject to acquisition of right-of-way, design and engineering considerations, environmental issues, the discovery of historic sites or endangered species, the receipt of necessary permits, funding of projects from other sources, bids in excess of project estimates, qualifications of bidders, cost overruns, qualifications of bidders, exhaustion or insufficiency of net sales and use tax revenues to complete all projects and other unforeseen circumstances and conditions.

5.3 In the referendum on the imposition or reimposition of a special projects sales and use tax in York County, all qualified electors desiring to vote in favor of imposing or reimposing the tax for the stated purposes shall vote "yes" and all

qualified electors opposed to imposing or reimposing the tax shall vote "no". If a majority of the electors voting in the referendum shall vote in favor of imposing or reimposing the tax, then the tax is imposed or reimposed as provided in the Capital Project Sales Tax Act, § 4-10-300 et seq., and this ordinance. Expenses of the referendum must be paid by the governmental entity or entities that would receive the proceeds of the tax in the same proportion that those entities would receive the net proceeds of the tax.

5.4 Upon receipt of the returns of the referendum, the York County Council shall, by resolution, declare the results thereof. The results of the referendum, as declared by resolution of the York County Council, are not open to question except by suit or proceeding instituted within thirty (30) days from the date the York County Council shall adopt a resolution declaring the results of such referendum.

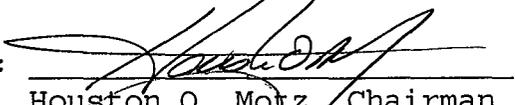

Section 6. Imposition of Tax Subject to Referendum. date and time to be determined by the York County governing body and the South Carolina Department of Revenue as provided herein, and the favorable vote of a majority of the qualified electors voting in such referendum shall be a condition precedent to the imposition of a capital project sales and use tax pursuant to the provisions of this ordinance.
