BE IT ENACTED BY THE COUNTY COUNCIL OF YORK COUNTY, SOUTH CAROLINA, IN PUBLIC MEETING DULY ASSEMBLED:

Section 1. Recitals and legislative findings. As an incident to the adoption of this ordinance, the County Council of York County, South Carolina, has made the following findings:

(a) The South Carolina General Assembly has enacted the Capital Project Sales Tax Act, S. C. Code Ann. § 4-10-300, et seq., pursuant to which the county governing body may impose a one percent sales and use tax by ordinance, subject to a referendum, within the county area for a specific purpose or purposes and for a limited amount of time to collect funds to complete designated projects.

(b) On August 18, 1997, the York County Council adopted an ordinance pursuant to the South Carolina Capital Project Sales Tax Act, S.C. Code Ann. § 4-10-300 et seq., imposing a one percent sales and use tax, subject to a referendum within York County, for the purpose of designing, engineering, constructing or improving highways, roads, streets and/or bridges in York County, South Carolina, for a period of not to exceed seven (7) years from the date of imposition of such tax, to fund capital projects more particularly described in such ordinance. On November 4, 1997, in a Referendum conducted in York County, a one percent capital project sales tax was approved by a favorable vote of a majority of the qualified electors voting in such Referendum on the imposition of such tax. The one percent capital project sales tax imposed in York County pursuant to the ordinance adopted by the York County Council on August 18, 1997, and the Referendum conducted on November 4, 1997, established the first Pennies for Progress Program in York County. Through two similar efforts and subsequent referenda conducted on November 4, 2003 and August 2, 2011, the York County citizens voted to impose or reimpose the one percent capital project sales tax and continue the Program through what has been termed Pennies 2 and Pennies 3. The Pennies 3 Program is scheduled to end its collections on April 30, 2018; and, as a result, the County has initiated the process to continue the Program through the reimposition of the Capital Project Sales Tax.

(c) In furtherance of the Pennies 4 Program, the York County Council adopted a resolution pursuant to the Capital Project Sales Tax Act on September 8, 2015, creating a Capital Project Sales Tax Act Commission (hereinafter "Pennies Commission") for the purpose of considering proposals for funding capital projects within the York County area and the

formulation of a referendum question which is to appear on the ballot. Jerry Helms, Danny Funderburk, and Brown Simpson were appointed as members of the Pennies Commission by York County. John Gettys, Carl Dicks, and Charles Plemmons were appointed as members of the Capital Project Sales Tax Act Commission by municipalities of York County or commission appointees of municipalities in the county in accordance with the provisions of S. C. Code Ann. § 4-20-320, as amended, of the Capital Project Sales Tax Act.

(d) The Pennies Commission considered proposals for funding capital projects within York County and the Pennies Commission, in public meetings duly advertised, by unanimous vote of the Commission, adopted the projects described in its Resolution dated May 30, 2017, estimated the costs of such projects, identified the purposes for which the proceeds of the proposed capital project sales and use tax shall be used, established the maximum time for which the sales and use tax may be imposed or reimposed at seven (7) years, established the maximum estimated cost of the projects to be funded from the proceeds of the tax and the maximum amount of net proceeds to be raised by the tax, established conditions precedent to the imposition or reimposition of the sales and use tax and established conditions and restrictions, including utility relocation, on the use of sales and use tax collected pursuant to the Capital Project Sales Tax Act, established the priority in which the net proceeds of the sales and use tax are to be expended for the purposes stated, recommended that a formula or system be established by which multiple projects may be funded simultaneously, formulated the ballot question that is to appear on the ballot pursuant to S. C. Code Ann. § 4-

20-330(d), of the Capital Project Sales Tax Act, as amended, and directed that the Resolution establishing the ballot question be submitted to the York County Council.

(e) Upon receipt of the Resolution, hereby acknowledged, the York County Council finds that a one percent sales and use tax should be imposed or reimposed within York County, subject to approval in a county-wide referendum to be conducted at the time of the November 2017 General Election to permit the existing one percent sales and use tax to be reinstated and continue without interruption, for the purpose of designing, engineering, constructing or improving highways, roads, streets and/or bridges in York County, South Carolina, more specifically identified in this Resolution (herein referred to as the "Capital Projects") for a period not to exceed seven (7) years from the date of imposition or reimposition of such tax to fund capital projects as herein defined and described an estimated cost of approximately \$277,920,000.00, to be funded from the net proceeds of sales and use tax imposition or reimposition in York County pursuant to the provisions of the Capital Project Sales Tax Act, S. C. Code Ann. § 4-10-300, et seq., as amended, subject to approval of a majority of the qualified electors of York County voting in a Referendum on the imposition or reimposition of a capital projects sales and use tax in York County to be held at a time to be determined as provided above. The imposition or reimposition of such sales and use tax and the use of sales and use tax revenue, if approved in such referendum, shall be subject to the conditions precedent and other conditions and restrictions, including utility relocation, on the use and expenditure of sales and use tax revenue established by the Capital Project Sales Tax Act and the provisions of the Pennies Commission's Resolution. Sales and use tax revenues shall be used for the purpose

of necessary right of way, design, engineering, construction, inspection or improvement of the projects established in the Resolution for the purposes stated in the priority in which capital projects are listed below or as provided in a formula or system by which multiple projects may be funded simultaneously. The expenditure of revenues from the capital projects sales and use tax, if approved, shall be subject to acquisition of necessary right-of-way, design and engineering considerations, environmental issues, the discovery of historic sites, the receipt of necessary permits, funding of projects from other sources, cost overruns, qualifications of bidders, the receipt of bids in excess of project estimates, exhaustion or insufficiency of net sales and use tax revenues to complete all projects or other unforeseen circumstances and conditions.

(f) The York County Council finds that the imposition or reimposition of a capital project sales and use tax in York County for the projects and purposes stated in the Resolution and Report of the Pennies Commission, for a limited time not to exceed seven (7) years, to collect the estimated amount of money required to fund the capital projects identified by the Commission, will serve a public purpose; provide funding for the design, engineering, construction and improvement of highways, roads, streets and/or bridges; improve the flow of traffic into and through York County; provide a safe roadway system for travel in York County; address increased traffic volumes which accompany rapid population growth; facilitate economic development; promote public safety; provide needed infrastructure; facilitate the provision of adequate transportation; lessen congestion in the streets, roads and highways of York County; promote air quality; promote desirable living conditions; enhance the quality of

life in York County; promote public health and safety in the event of fire, emergency, panic or other dangers; and prepare York County to meet present and future needs of York County and its citizens.

(g) The York County Council finds that the Pennies Commission met its obligations in full, pursuant to the September 8, 2015 County Council Resolution; worked diligently to formulate a ballot question for consideration by County Council in a reasonable period of time; and, demonstrated meaningful reflection upon requests to the Pennies Commission involving dialog, debate, and deliberation which resulted in the adoption of its Resolution and Report, on May 30<sup>th</sup>, 2017. York County Council further finds that the Commission, in all respects, worked in conformity with its charge, met its obligations, and presented to the York County Council its Resolution and Report in a timely fashion.

Section 2. Adoption of Commission Resolution and report. The Resolution and Report of the York County Pennies Commission dated May 30, 2017 is hereby approved and adopted, with all actions undertaken by the Commission in furtherance of its obligations hereby ratified, approved, and adopted by the York County Council.

Section 3. Adoption of Capital Project Sales and Use Tax subject to referendum.

Code Ann. § 4-20-300 et. seq., as amended, is hereby imposed or reimposed in York County, South Carolina, subject to a favorable vote of a majority of the qualified electors voting in a special referendum on the imposition of such tax to be held in York County, South Carolina, at a

on the percentage of completion of each such project if (i) the county treasurer, after consultation with the South Carolina Department of Revenue, certifies that the projected net proceeds of the one percent sales and use tax imposed or reimposed are reasonably sufficient to fund and complete all such multiple projects commenced simultaneously; and (ii) the county's Program Manager or construction manager for projects funded by the Capital Project Sales Tax certifies that the projects commenced simultaneously may be completed based on a reasonable projection of anticipated net revenues of the one percent sales and use tax to be applied to such projects.

3.5(c) In order to fund multiple projects commenced simultaneously, York County may use any and all such lawful means to fund the projects to include, but not be limited to, the advancement of funds by York County and the bonding of multiple projects, so that the anticipated distributions of the projected net proceeds of the one percent sales and use tax imposed or reimposed, as certified by the county treasurer and Program Manager, are reasonably sufficient to satisfy the indebtedness incurred for the funding and completion of such multiple projects commenced simultaneously.

3.6 If a sales and use tax is approved by a majority of the qualified electors voting in a referendum to be held in York County as provided herein, such tax is to be imposed or reimposed at a time determined by the York County governing body and the South Carolina Department of Revenue to permit the existing one percent sales and use tax to be reinstated and continue without interruption provided the Registration and Election Commission of York County shall certify the results and the York County governing body shall, by resolution, declare the results of the referendum and certify such results to the South Carolina Department of Revenue timely.
